## MINUTES OF THE GENERAL MEETING OF THURSDAY 11 SEPTEMBER 2014

Meeting commenced at 7.35 pm at the  
Naremburn Community Centre, 7 Central Street, Naremburn

### 1. OPEN FORUM

Richard Cross (Northcote St) advised that motorists were speeding along Northcote St, which was believed to be a 50kph speed limit. It was resolved to check and clarify speed limit and advise Police of issue.

Chris Chaseling (Grandview St) noted that skateboarders were frequenting the intersection of Olympia and Park Rds, creating a traffic hazard. It was suggested that a warning sign be provided for approaching motorists, although keeping the skateboarders off the road is the preferred option.

Dietmar Kriklewicz (Waters Rd) noted bike riders speeding on the cycle track beside the Gore Hill Freeway. It was acknowledged that this issue had been raised previously, but would be referred to Paul Collings (WCC) again. Cr Michelle Sloane will report back at the next meeting.

Kevin FitzPatrick (Central St) advised that Ausgrid have installed another street light on Central St, improving night visibility.

Alex McEwen (Waters Rd) raised the issue of boats, trailers etc being parked with wheel clamps for extended periods in local streets, making it difficult for local residents to find parking. The trailers are often signwritten, advertising the business of the owner.

At that time (7.55pm) the Guest Speaker arrived, so normal proceedings were suspended and the Speaker addressed the meeting.

### 2. GUEST SPEAKER

The Guest Speaker for the meeting was the Mayor of Willoughby City, Cr Gail Giles-Gidney. The Mayor covered a number of topics and provided a very interesting address, followed by questions from the floor. Topics covered included:

- Housing demand remains very strong as many people, particularly Chinese, move into the area, attracted by good schools and low crime rates.
- The Interchange is nearly fully leased, with a number of restaurants present.
- Chatswood Westfield is being redeveloped.
- WCC is working towards bringing Vivid to the Chatswood CBD, potentially in 2016.
- WCC is seeking feedback on the proposed Infrastructure Levy.
- Pat Reilly memorial options – include a statue, scholarship, Naming of a local park, a plaque or a bust. Discussions continuing.
- Potential Local Council amalgamations.
- 10/50 Vegetation Clearing issues.
- WCC Parking strategy.
- Northbridge Plaza potential redevelopment options.
- Willoughby Spring Fair attractions.
- Woolworths Smith St Development proposal.

- Channel Nine site redevelopment – Conciliation conference set for later in September.
- Concourse area very popular now as restaurant and entertainment precinct.

Following the presentation a short supper was taken, with the meeting resuming at 9.10pm.

### 3. CONFIRMATION OF PREVIOUS MINUTES

That the minutes of the General Meeting of 14 August 2014 as amended, be confirmed as a true and correct record of that meeting. Item 4(f) to be amended to “Kevin FitzPatrick (Central St) asked whether there was a local Chamber of Commerce or similar for Naremburn now that Michael Hockey has moved out of the shopping precinct.
